

2013 Circle of Angels

The Circle of Angels is a giving club recognizing individuals, groups and businesses who donated \$1,000 or more to Make-A-Wish Maine through annual gifts and/or in-kind donations. Circle of Angels is inspired by eighteen-year-old Brandi, of Sidney, who wished, in 2002 to travel to New York City to give specially designed guardian angel pins to children who lost their parents in the September 11 attacks. She handed out more than 1,000 pins to children who lost parents, as well as to firefighters and police officers who lost colleagues.
